Direct Transfer

I have established an account under New Jersey Alternate Benefit Program with Prudential and hereby request an exchange of all or a portion of my 401(a) assets with another investment provider to my account at Prudential. Both accounts are part of my same employer's plan.

Approved providers:

- AIG-Valic MetLife MassMutual Voya TIAA-CREF AXA Equitable

NOTE:

- If you have an outstanding loan, the loan balance cannot be transferred.
- If you have an outstanding loan, please check with your current provider to confirm if you are eligible to perform a Contract Exchange.

Minimum Distribution Information

I understand that if I am age 70 ½ or older, the distributing provider is required to process the Required Minimum Distribution before these funds are rolled over to Prudential. I further understand that I need to direct the prior provider to distribute my Required Minimum Distribution prior to processing this rollover.

Your Authorization

I, the Plan participant, certify that all information on this form is accurate. I also certify that transaction was distributed from a plan intended to satisfy the requirements of I.R.C. § 401(a), 403(a), 403(b), 457 (governmental only), or an IRA established pursuant to IRC § 408 and, which to the best of my knowledge, does satisfy them.

I additionally certify that this distribution can be rolled over into my account with Prudential because it:

- 1) is not one of a series of substantially equal periodic payments (not less frequently than annually) distributed over my life or life expectancy (or the joint lives [or joint life expectancies] of me and my beneficiary) or over a period equal to or greater than 10 years,
- 2) was received by me not more than 60 days before the date of the rollover to the Plan,
- 3) would be includible in gross income if not rolled over in its entirety, unless after-tax or Roth contributions, which have been previously taxed.
- 4) does not represent a Required Minimum Distribution, a hardship distribution, or a corrective distribution (for example: corrections of elective deferrals or elective contributions, etc.), and
- 5) was distributed to me as an employee (not as a beneficiary) or as a surviving spouse.
