GoalMaker Allocation Change (Please fill out Option I or Option II. Do not fill out both sections.)

Option I – Choose GoalMaker with Age Adjustment

By selecting your risk tolerance, and confirming your expected retirement age below, your contributions will be automatically invested in a GoalMaker model portfolio that is based on your risk tolerance and years left until retirement. You also confirm your participant in GoalMaker's Age Adjustment feature, which adjusts your allocations over time based on your years left until retirement.

Select Your Risk Tolerance Conservative Moderate Aggressive

Confirm Your Expected Retirement Age

Expected Retirement Age: 6 5

Yes. Please use the default Expected Retirement Age listed above.

No. Please use _____ as my expected retirement age.

OR

Option II – Choose GoalMaker without Age Adjustment

I do not want to take advantage of GoalMaker's age adjustment feature. Please invest my contributions according to the model portfolios selected below.

Time Horizon (years until retirement)	GoalMaker Model Portfolio (check one box only)		
	Conservative	Moderate	Aggressive
0 to 5 Years	C01	M01	R01
6 to 10 Years	C02	M02	R02
11 to 15 Years	C03	M03	R03
16 + Years	C04	M04	R04

By selecting a GoalMaker model portfolio, you direct Prudential to automatically rebalance your account according to the model portfolio chosen on a quarterly basis.

If you choose GoalMaker and want to automatically, once eligible, allocate a portion of your retirement account to the IncomeFlex funds to help you generate guaranteed retirement income, please check this box.

Selecting Your Own Investment Allocation

Complete this section to design your own investment allocation and direct Prudential to make the necessary changes. **Caution:** If you are currently enrolled in GoalMaker, your completion of this section will cancel your enrollment in GoalMaker. If you have any questions, please contact a Customer Service Representative at the toll-free number on this form.

Note: Please read the Target Important Considerations Document prior to selecting the IncomeFlex Target Fund.

Please use whole percentages. The total must equal 100%.

Rebalancing Options

Complete this section if you are selecting your own investment allocation and would like to also rebalance your account. If you have any questions, please contact a Customer Service Representative at the toll-free number on this form.

Enroll in Auto Rebalancing – By selecting this option you direct Prudential to make period transactions to move money to mirror your current contribution instructions on the plan’s scheduled quarterly rebalance dates.

On Demand Rebalance to Current Contribution Instructions – By selecting this option you direct Prudential to move your existing balances by reallocating to your current contribution instructions. This is a one-time request and will be processed automatically.

Your Authorization

I direct Prudential to process this transaction(s) in accordance with my instructions above.
